

Free Energy Audits!

Free Energy-Saving Home Improvements!

- ▲ Insulate walls and attics,
- ▲ Weather strip or replace drafty windows and doors,
- ▲ Replace energy consuming refrigerators and inefficient heating systems,
- ▲ Even receive energy conserving light bulbs,
- ▲ Enjoy years of savings, winter and summer,
- ▲ **All at no cost to you!**

No kidding, no catches. It's free to qualified homeowners and renters.

Your energy audit and home improvements are paid for by federal stimulus money if you meet income eligibility guidelines. Anyone receiving heating assistance is automatically eligible. Renters are also eligible to apply.

Work, done by licensed and insured local contractors, is arranged for you and inspected upon completion for compliance.
